

Girl Scout Camps and Programs

Summer 2024

Dear Campers and Families,

I am excited to welcome back returning campers and make new memories with first time campers this summer! My name is Mac, and I'm returning to Pennyroyal for my second summer as Camp Director, and my fourth summer as resident camp staff. I grew up attending Camp Pennyroyal, making new friends, discovering independence, and connecting with the outdoors! My involvement with camp is driven by my passion for youth and giving them a unique opportunity to expand their courage, confidence, and character.

Girl Scout resident camps are a magical experience where campers can be exactly who they are. They discover new skills, strengths, and interests. From sailing aboard Bear Creek's Flying Scots to creating new cookout recipes, every camp session offers a new challenge and opportunity. Girl Scouts are able to lead their own journey this summer whether that's coasting down Pennyroyal's zipline, swapping friendship bracelets with their new besties, or paddling across Kentucky Lake. I can't wait for you to embark on your very own camp-tastic adventure this summer!

Love,
Mac

About Our Camps

Bear Creek Aquatic Camp

4736 Barge Island Road
Benton, KY 42025

Nestled back in Girl Scout Bay on the banks of Kentucky Lake sits Bear Creek Aquatic Camp (a resident camp near Paducah). This sparkling shoreside camp offers aquatic adventures including sailing, stand-up paddleboarding, and a mega canoe that can seat 22 people.

Camp Pennyroyal

3095 Girl Scout Road
Utica, KY 42736

A woodland wonderland awaits campers at Camp Pennyroyal (a resident camp near Owensboro). The adventures take many forms at the eight-acre Wishing Star Lake (home to amazing, harmless freshwater jellyfish). Stargaze on the dam, explore the hiking trails, or enjoy a campfire at the lakefront amphitheater. Camp Pennyroyal has peaceful escapes and outdoor adventures waiting around every bend.

Louisville Program and Learning Center (PLC)

2115 Lexington Road
Louisville, KY 40206

Our main offices for the council are just a small part of an amazing facility: our Program and Learning Center (PLC). The PLC is a perfect place to spend summer days. There's an indoor rock climbing wall for Juniors and above, while younger Girl Scouts will try their skills on our bouldering wall. The Makers Space is ready for creative projects like woodworking, painting, STEM activities, and lots more. The PLC is so much more than the headquarters of the Girl Scouts fun. It houses a little bit of history and a whole lot of tech, imagination, and adventure!

Visit gskcamps.org and follow the link that takes you to CampDoc, our registration hub for all camper documents. Follow the prompts on CampDoc to complete registration. New to Girl Scouts? Annual membership can be added during the check-out process.

A non-refundable deposit of \$60 per Girl Scout is due when you register. All remaining balances must be paid by **Friday, May 31, 2024**. Registrants with unpaid balances after that day will be removed from the session roster, and their deposit will be forfeited. Payments toward camp can be made in full at any time prior to May 31 or can be paid via installments. We know things happen and plans can change, so families are able to cancel a reserved session for a refund (minus the \$60 deposit) before Friday, May 31, 2024. In case of camp cancellations by GSK, all payments will be refunded.

Sessions fill very quickly. When sessions reach capacity, campers can join the waitlist. If additional capacity becomes available, new openings are offered via email on a first-come, first-served basis from our waitlist. Hopeful campers on our waitlist will have five business days to respond to our email notice to claim the new spot.

After you register, you will soon receive a confirmation email directly from CampDoc, our camp registration platform. This email will contain important information to guide you through the next steps of completing your health profile, payments, and accessing a camper's Welcome Guide. If this email is not received within 24 hours, check your junk/spam folder, then please contact Volunteer Care.

Financial Assistance

Every Girl Scout should be able to make lasting memories at summer camp! Financial aid is available to provide everyone with access to the same outdoor opportunities. In every instance the amount requested should reflect the true need of the family. Providing leadership opportunities through camp experiences is made possible by the Joyce Seymour Leadership Fund. Applications will open **November 13, 2023** with a deadline of **November 21, 2023 at 5 pm EST** to be pre-approved by Cyber Monday. All other applications must be received by **April 30, 2024**.

Earn Your Way to Camp

Campers can use previously earned Kentuckiana Credits to pay towards camp costs. Kentuckiana Credits may be used to pay a portion or the entirety of camp costs, but plan ahead: 2022-2023 Kentuckiana Credits expire on December 12, 2023. To apply Kentuckiana Credits to camp, use the form at bit.ly/kcform23.

Looking ahead, the Girl Scout Cookie Program is a great way for campers to earn a cost-free summer adventure. When a Girl Scout sells 2,200+ boxes, they earn a free week of Resident or PLC Day Camp—along with a friend! If you have big cookie goals, reserve your camp spot early beginning November 27 using the code COOKIE2024 to waive the \$60 deposit. If you don't quite make it to your goal, you can still use another form of payment to pay your full tuition. All payments will be due Friday, May 31, 2024.

Transportation Available for 2024

Transportation is available for Bear Creek Aquatic Camp and Camp Pennyroyal from Louisville and Beaver Dam. Campers travel in comfort on air-conditioned motor coach buses. Round-trip cost is \$100 and one-way is \$50. Bus transportation may be canceled if the required minimum number of riders is not reached. On May 24, the price shifts to \$125 for round-trip and \$80 for one-way and is subject to availability.

Including Every Girl Scout

Our goal is to provide a positive experience for all campers. Please help ensure your Girl Scout's successful camp experience. Contact us at least one month prior to the session to discuss any physical, behavioral, emotional, dietary, or other needs for your camper. Once we have reviewed your camper's needs, we will determine if we can safely accommodate those needs at camp.

We are inspired to provide communities of acceptance where you'll enjoy meeting new people from different backgrounds. At camp, we come together to challenge ourselves as we spend time in nature, try new things, and learn new skills. Our staff welcomes you to the magic of camp.

Health and Safety

The health and safety of our campers and staff is always a top priority. Trained First Aid staff are at camp sessions, and plans are established for medical intervention from local providers. For public health concerns, camp sessions operate based on current recommendations from the Center for Disease Control, American Camp Association, and local government.

Other Summer Programs

The following two pages are filled with fun and challenging events designed to help girls earn badges, meet other Girl Scouts, and try new things while being immersed in the Girl Scout Leadership Experience.

These events are offered by our program team. The online Events Calendar is your source for all the information about something to do as a troop, with a friend, or as a family.

Find the Events Calendar on our website, gskentuckiana.org/events.

Registering for Events

Log in to **MyGS** at mygs.girlscouts.org/my-account for the most up-to-date information on events and for registration. Pre-registration is required at least two weeks ahead of time. Register for events online with a credit card, or make payments by cash, check, or *Kentuckiana Credits* using the Event Registration Form. Late registration cannot be accepted.

When plans change, event registrations may be canceled for a full refund, up to 14 days prior to the event.

Patch of the Month

Looking for some additional fun activities for your troop or just to do on your own? Each month, girls can Discover, Connect, and Take Action in a specific subject area. Hands-on activities are available for all Girl Scout levels and can be done at meetings, as a pre-meeting activity, or as an at-home project.

Patch of the Month programs provide Girl Scouts an opportunity to enjoy a variety of activities while earning a fun patch. Completing patch programs can help complete a Journey and may satisfy requirements for certain badges. It's not necessary to complete the patch programs in the months specified—they can be completed at any time! Find the packets at: gskentuckiana.org/patchofthemoth.

 June	Endangered Species Patch Program: <i>Do you want to protect wildlife, our environment, and make the world a better place? As you explore the importance of the Endangered Species Act of 1973, you will discover how to protect an endangered species and the habitat it depends on to survive.</i>
 July	Outrun the Sun Patch Program: <i>Can YOU Outrun the Sun? Outrunning the sun means taking steps to be sun safe when you are outdoors. Make a commitment to outrun the sun while enjoying many fun activities and teaching others the importance of sun safety.</i>
 August	Healthy Habits Patch Program: <i>Explore FUNdamental habits for a strong foundation—a healthy body, meaningful and safe relationships, and positive emotional health.</i>
