The Council is exempt from federal income tax under Section 501(c) (3) of the Internal Revenue Code. However, income from certain activities not directly related to the Council's tax-exempt purposes could be subject to taxation as unrelated business income. The Council qualified for the charitable contribution deduction under Section 170(b) (1) (A) and has been classified as an organization that is not a private foundation under Section 509(a) (2). IRC Section 513(a) defines an unrelated trade or business of an exempt organization as any trade or business which is not substantially related to the exercise or performance of its trade or business. Unrelated business income arises from rental income earned by the Council. Income tax expense on unrelated business income totaled \$5,176 and \$5,131 for the years ended December 31, 2022 and 2021, respectively, for the prior year tax liabilities.

Management has concluded that any tax positions that would not meet the more-likely-than-not criterion of FASB ASC Topic 740 would be immaterial to the financial statements taken as a whole. Accordingly, the accompanying financial statements do not include any provision for uncertain tax positions, and no related interest or penalties have been recorded in the statements of activities or accrued in the statements of financial position.
