How You Can Help

- Troops connect with your local service unit volunteer team.
- Council will secure cookie booths in your area at Kroger & Walmart locations.
- Think outside the box – Are there places you have not approached? Restaurants, tanning salons.
- Arrange a drive through booth at a busy location.

- SU/Council will secure booths that you can include in the open council booth draw (most troops will stay within their nearest neighborhoods and areas for booths and want to go to the stores they frequent as customers).
- SU booth draw then submit to council to load into eBudde.
- SU/Council will quickly approve My Sale/Troop booth requests in eBudde so troops can make plans.
