How to support troops with booths

- Secure cookie booths in your area at non-Kroger & Walmart locations.
- Think outside the box – Are there places you have not approached?
- Arrange a drive through booth at a busy location.
- Secure booths that you can include in the open council booth draw (most troops will stay within their nearest neighborhoods and areas for booths and want to go to the stores they frequent as customers).
- Quickly approve My Sale booth requests in eBudde so troops can make plans.
- Offer to operate as a “Mobile Booth Cupboard” to help troops that need support when they run out of cookies at booths.
- Show up – Visit booths and encourage the girls. Take pictures, offer pointers, and give support.
- Host a service unit Cookie Rally.
