

Want to support your community and inspire future leaders?

Host a cookie booth!

When you invest in Girl Scouts, you champion the next generation's dreams. Before she can launch a company or launch into space, she'll need to believe she can do it.

Girl Scouts are in every community across Western Kentucky and Southern Indiana from every background and in every economic circumstance.

Join the Girl Scout Cookie Program—the world's leading entrepreneurial program for girls!

It's easy to host a cookie booth:

Support young entrepreneurs by hosting a Girl Scout Cookie booth at your store from Feb. 21–March 30!

Cookie booths can boost your retail traffic and will add your business to the national Cookie Finder link at girlscoutcookies.org, where 8.4 million searches happened last year.

1 Determine if the booth location will be inside, outside, or a drive through option.

2 Determine the best dates based on the store's availability.

3 Troops register through the council's Cookie Program software.

4 Volunteers will be onsite to supervise Girl Scouts and their cookie inventory.

Partner with Girl Scouts of Kentuckiana to empower the next generation of female entrepreneurs!
