RALLY GUIDE

Welcome to The Pack.

Introducing: Patch Pals™

The first Girl Scout Cookie™ made just for dogs.

Nothing, including Girl Scout Cookie season, is as fun without your dog! Which is why Girl Scouts is paw-sitively proud to announce **Patch Pals™**, the first ever Girl Scout Cookie made just for our favorite four-legged family members.

From the wonder you felt as you witnessed your buddy's first sit, shake, and roll to watching them bring together friends and loved ones in the wonderful way only dogs can, you know your pup deserves the best. And Girl Scouts' new dog cookies will be puppy love at first bite. Made with blueberries, **Patch Pals™** have an irresistible blueberry muffin scent and are soft-baked for a chewy texture that's second
to none.

Each dog cookie has been lovingly baked into one of four cute "patches," representing Girl Scouts, community, exploration, and play - all central to how Girl Scouts grow together and shape their world with joy.

Why Patch Pals?

Over the years, thousands of Girl Scouts just like you have requested a dog treat to sell during the cookie season. You asked - we answered! **Patch Pals™** has been something we've been working on for a long time, and something we know every dog person out there will be excited about.

Most of the people you sell Girl Scout Cookies to either have a dog in their family, or have a special dog in their life. Dogs are part of the family, just like sisters, brothers, cousins, parents, and grandparents. Our families get to enjoy Girl Scout Cookies every year, we want to help the family dogs enjoy this program too!

Patch Pals™ are only available online, so consumers can buy them easily from your Digital Cookie store for it to be shipped to their home.

Most dog parents enjoy stocking up on dog snacks online, so here are ways to reach this new audience.

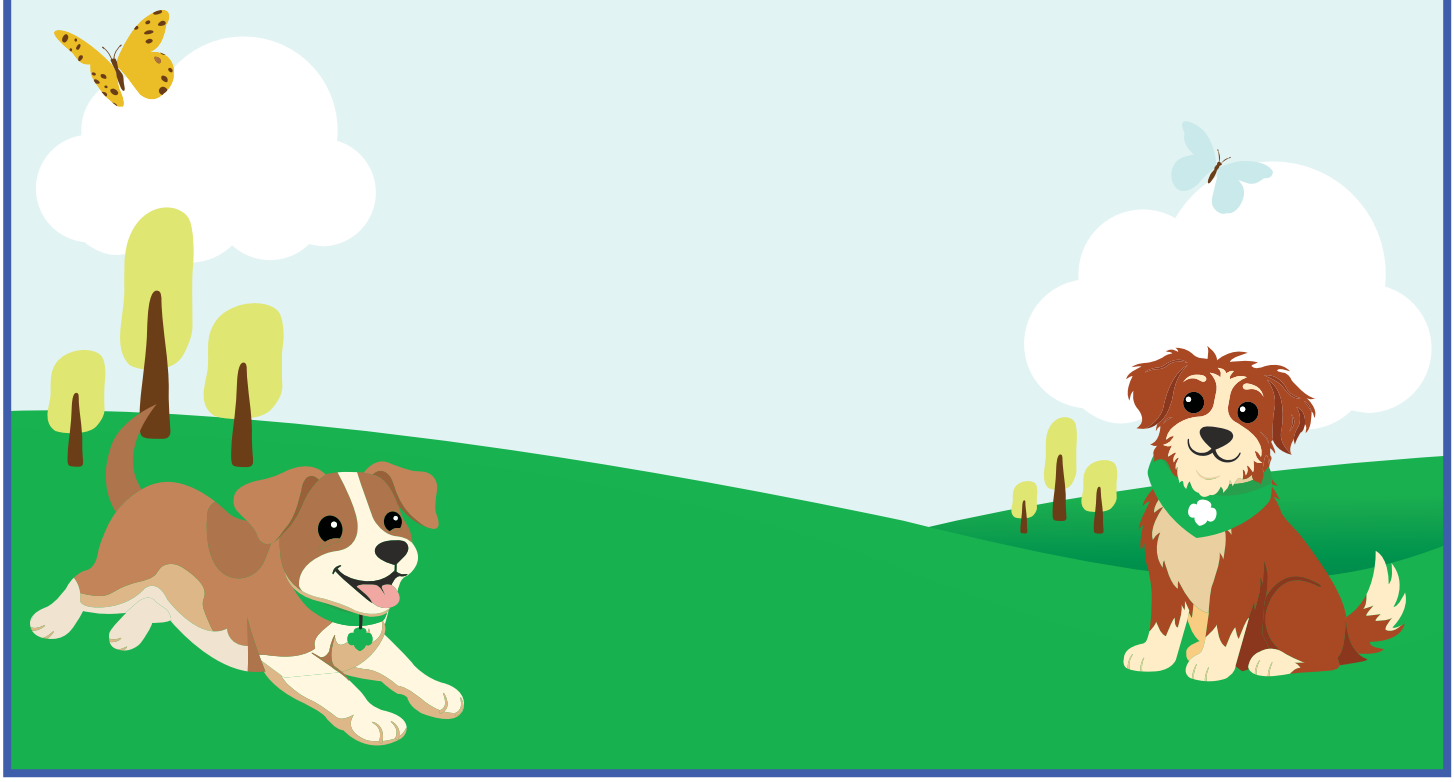

Patch Pals™ were created with BARK, the company behind BarkBox, which is obsessed with making dogs happy.

Together, we made a treat that dogs will love — and that you can feel proud to sell.

PRODUCT FACTS:

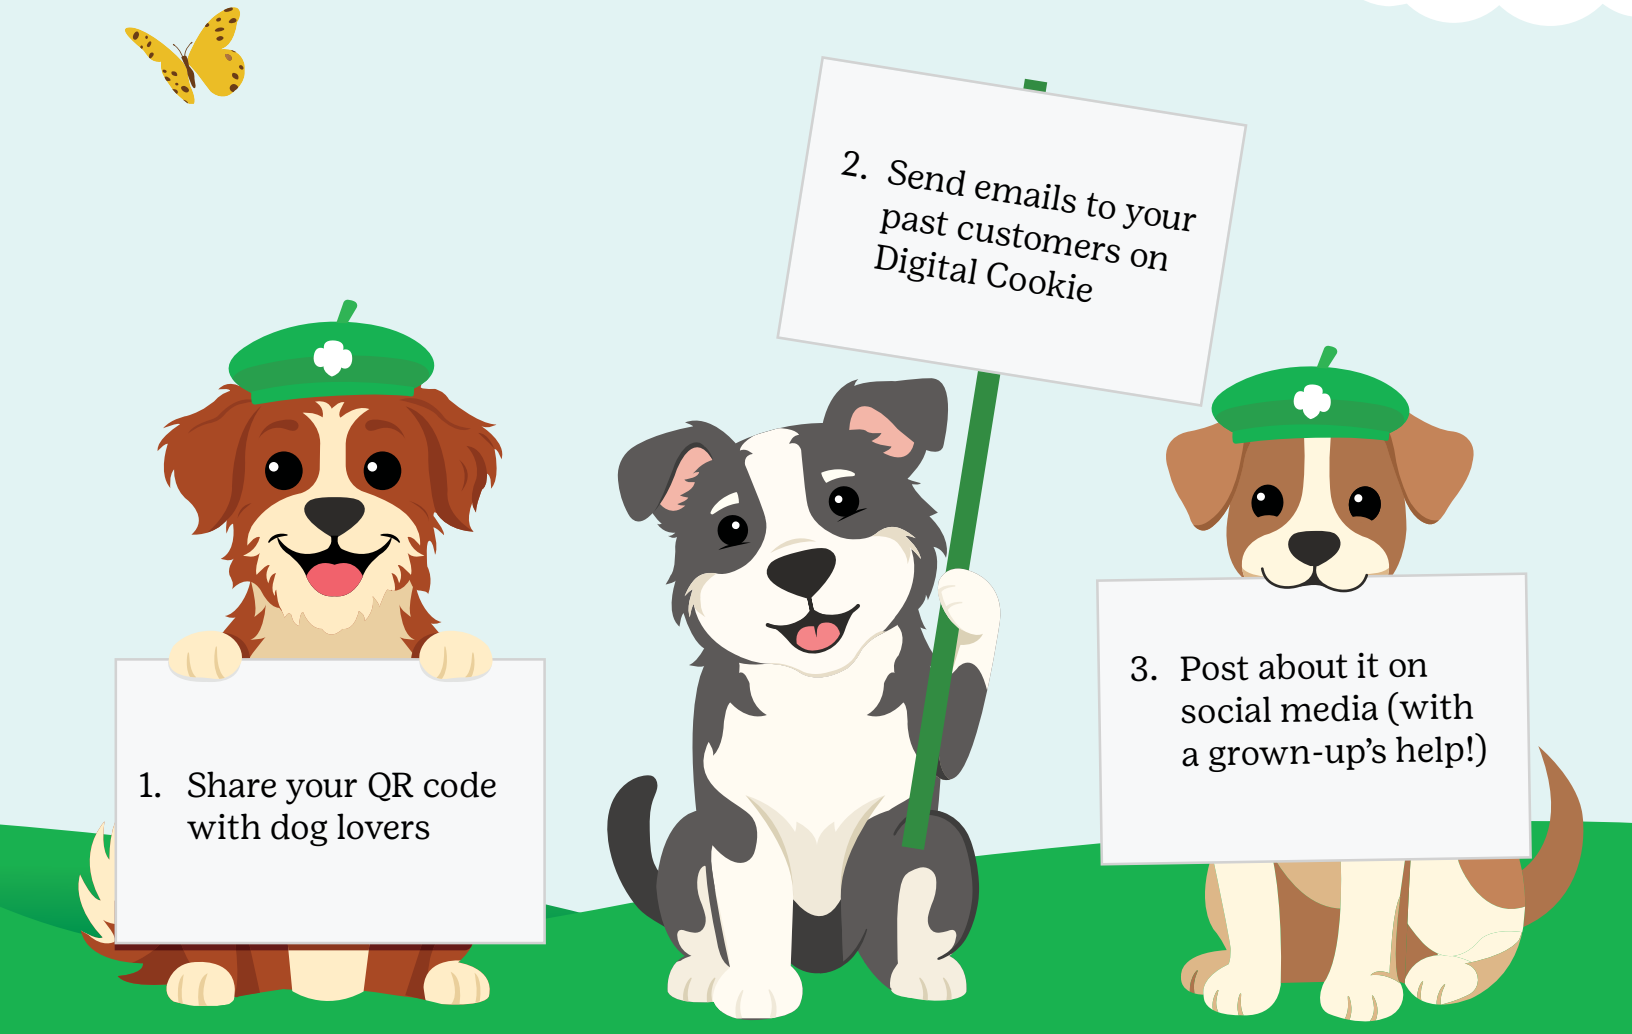

- Blueberry muffin flavor
- Made with blueberries.
- Grain-based recipe
- Online only, shipped to people's homes
- These delicious dog cookies are for dogs only!

Patch Pals™ are only sold online for shipping only.

While they are not available to sell at a booth,
consumers can easily buy them from a Girl Scout.

THREE EASY WAYS TO SELL:

DOGS WHO WOULD LOVE PATCH PALS

TYPE: Whole Group | No materials needed | 5 minutes

HOW TO PLAY:
Ask girls to stand up if their answer is yes and yell their answer.

- "Do you have a dog?"
- "Do your friends have a dog?"
- "Do your relatives have a dog?"
- "Do your neighbors have a dog?"
- "Do you know a dog who deserves a treat?"

By the end, almost everyone is standing.
That's your customer list!

Next, ask each girl to raise their hand if they think they might find dog people at:
A pet store?
A dog park?
In their neighborhood?
Even online, like who they sell to in the fall program?

This is how you can find your dog people!

LEADER TIP: Use this to lead into the product introduction.

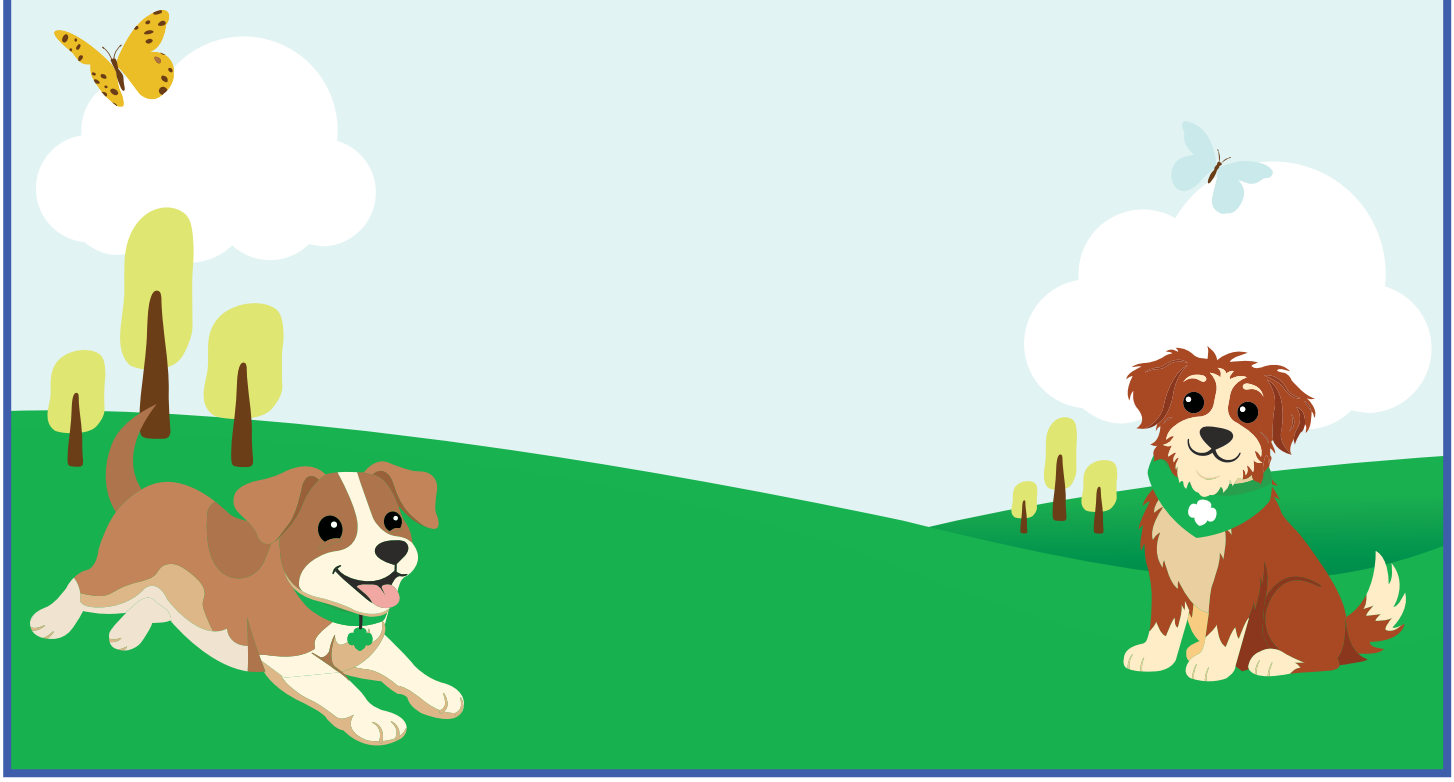

NEXT: ACT LIKE A DOG

HOW TO PLAY:
Leader calls out actions: Fetch! Roll Over! Sit!
Each girl acts like a dog doing a trick or command.
Sit, shake, roll over, spin, do a biiiig stretch like a dog that just woke up from a nap.

Girls act them out at the same time. Create your own pack!

LEADER TIP: Ask for volunteers first.
Once a few girls go, everyone will want to join in.
