

## Digital Cookie Shipped and Donated Spring Fever Program

**Thank you for participating in the 2025 Girl Scout Cookie Program! We have an exciting opportunity to earn additional troop profit, a special patch and a chance to be one of 3 Girl Scouts that will win a special prize!**

While there were many troops and Girl Scouts that reached their goals with the traditional program, Girl Scouts of Kentuckiana saw a drop in participation which resulted in the council being 200,000 packages short of their goal. The Girl Scout Cookie Program stays 100% local and pays for ALL the camps, programs, and support offered to troops and Girl Scouts in Kentuckiana. It also helps fund financial aid so that we never have to turn away a future Girl Scout. **Will you help Girl Scouts of Kentuckiana sell 200,000 packages online in April and May?**

To help reach our goal, we are extending Digital Cookie shipped and donated through May 31! We are also offering FREE shipping on 9+ packages through May 31. **If every Girl Scout participating with Digital Cookie sells an additional 50 packages, we will surpass our goal!**

- Every Girl Scout that sells 50+ packages will earn a Cookie Boss patch.

- Girl Scouts will receive 10 Kentuckiana Credits for every 50 packages they sell.
- Girl Scouts will receive a special "mystery squishable" stuffed animal when they sell 200+ packages during the Digital Cookie extension.
- 3 Girl Scouts will be randomly chosen to win 4 local theme park tickets. (Choice between Holiday World, Kings Island, Kentucky Kingdom, Venture River or Beech Bend)

- While the traditional program rewards have wrapped up, Girl Scouts may also still count these sales towards the 1,000+ Holiday World Cookie Event and the 3,000+ Little Brownie Bakers Tour.

**Donated cookies count as well! We have donated over 25,000 packages to Operation: Cookie and the US Military. Any donations in April and May will honor local front-line heroes (EMS, fire, police, teachers, etc.).**

Troops will continue to earn an additional \$0.25 per package on all orders through May 31. Troop links on the cookie finder website will stay active until May 31 as well.

New to Digital Cookie? It isn't too late to set up your site and sell 50+ packages by May 31. Visit <https://digitalcookie.girlscouts.org/login-help> to get started today!
