## About Festival of the Arts

With Festival of the Arts (FOA), the possibilities are wonderful! Girl Scouts enjoy up to three art experiences during this day-long event that has been held for more than **50 years**. FOA is a fun and engaging event for Girls Scouts of all levels to explore and includes nearly every genre of arts including dance, drama, visual arts, and more!

FOA is held on the second Saturday in November (November 11, 2023) with unique community partners.

## Getting Started

Explore this Festival brochure thoroughly to learn about the sessions available to your troop's grade level. With your troop, spend time to determine their favorite options, and rank those based on preferences. Remember to encourage your troop to try something new and different!

Next, determine the number of participants who will attend Festival of the Arts. Confirm your total number of participants, and accurately include all girls and adults. (See page 15 to stay organized.)

Now you're ready to register your troop! The registration process has several steps and is designed to be fair to all—both new and experienced troops—and to allow time for girls to be included in the decisions about their program selections.

Don't forget: Festival of the Arts is for currently registered Girl Scouts. Don't miss out on the fun! Renew today at [bit.ly/gskrenew](https://bit.ly/gskrenew). Event registration is not available for non-renewed Girl Scout members.

### There are three categories from which to choose:

Events

Performances, Exhibits and Tours (PETs)

Workshops (Grade level assigned)

### Participants may attend a total of three programs during the day.

- Select no more than one program from Events category.
- Select no more than one program from Workshops category.
- Select up to three programs from the Performances, Exhibits and Tours (PETs) category, if you attend no Events or Workshops. Remember, your selections across all categories may not exceed three programs.

Please note how many programs you want to attend. You do not have to fill all three time periods! Programs are located throughout Metro Louisville and Southern Indiana, so be aware of your travel times and be prepared to drive.

Use the Planning Worksheet on page 15-16 to help plan your experience on November 11. Remember, registration opens on August 21.

## Cost

The cost is \$18 per Girl Scout and \$18 per adult. For Girl Scouts, this fee includes admission for up to three programs: *Workshop, Event, and a Performance, Exhibit, and Tour (PET)* and a commemorative Festival of the Arts patch. Adults get to attend Events and PETs, as well as receive a commemorative patch; however, they may not participate in workshops due to extremely limited space. **Festival of the Arts is ONLY for registered Girl Scouts and their adult volunteer chaperones.**

## How to Register

Here's a quick summary of the registration process.

Details are found below: One troop leader will register for the whole troop (starting August 21). Begin by logging in to **MyGS** at our website.

Complete registration steps, including the accurate number of participants, their names, and payment details.

The troop leader who registers for the troop will receive an email from GSK the following business day with a unique link to an FOA survey. This survey link is where they'll indicate the troop's selection of program preferences. (This link is specific for only their troop.)

## What You'll Need to Register

The troop leader will include the whole group at once. Have an accurate list of all participant names. Be prepared with the number of patches you'll request. Please complete this form as thoroughly as possible. The next business day, you will receive an email from GSK with a special link to your FOA survey. This survey is how the troop's selection of programs will be submitted.

Once your troop is registered, any changes will require that your whole group re-enter the queue for each session. So if you need to add girls or adults to your troop after the deadline for the First Draw, your previously scheduled programs will be released, and your troop will be scheduled (or rescheduled) alongside other troops who register on the day of your change.

For helpful registration tips, please visit the Festival of the Arts page on the GSK website—including the steps to register a multi-level troop and FAQ document!

## Adults and Tagalongs

Although adults do not participate in workshops, they should be present to supervise their girls and to assist if requested by the instructor. This gives them the opportunity to observe the skills the girls learn, and then help repeat the skills in future activities. As noted, some workshops have very limited space capacity, and some adults may be asked to wait outside.

### **Sorry, tagalong guests aren't invited or accommodated.**

Festival of the Arts is ONLY for registered Girl Scouts and their adult volunteer chaperones. Tagalongs (any girl under five, including infants, anyone not registered with GSUSA, or any siblings/friends) are unable to participate in Festival of the Arts. Adult chaperones attending should be focused on providing safe supervision for girls during this event. If tagalongs are identified at the event, the tagalongs and accompanying adult(s) will be asked to leave the premises due to insurance restrictions. Troops will still be required to maintain girl to adult ratios. Please ensure all adults are aware of this rule.

## Making Payment

Please submit payment information when you register, like all other GSK events. After completing the registration form, pay with a debit or credit card. You may also pay by check or Kentuckiana Credits. To use Kentuckiana Credits, please charge your troop credit card. Keep your receipt and submit the **Kentuckiana Credit Swap form** for reimbursement.

## Cancellation/Refund Policy

You may seek a refund ONLY when you meet each of the following conditions:

- Selected five programs from the Performances, Exhibits, and Tours (PETs) category
- Selected five workshops from your program level category.
- Your troop was not placed in any of your selections.

If your troop was not given any of their original choices, you will be contacted and offered alternative choices. If these alternatives are not satisfactory, you may ask for a refund at that time.

# Activity Tips

## Know Before You Go

Program descriptions and reminders will be in your program schedule. Be prepared to learn and play. Some performers will have CDs or other merchandise for sale after their programs. Please bring cash if you intend to make purchases.

## Where to Next?

Make sure every driver/adult attending has a copy of your troop number, leader's name/s, and program schedule so they have the addresses of each program, start times, and the name of the program they are attending.

## Engage with the Arts—Silence Your Phones

We encourage you to take lots of pictures and videos and share them on our social media accounts. Be sure to post your photos to the Girl Scouts of Kentuckiana's Facebook page throughout the day. Remember, please be respectful and follow the Courtesy Tips! If you are a Cadette or older and interested in participating in the Festival of the Arts Instagram Takeover, please email [festival@gskentuckiana.org](mailto:festival@gskentuckiana.org) for the log in information.

## Courtesy, please

Before the Festival, please discuss courtesy and good behavior in crowded situations. Set the example! Children follow adults who set standards and are comfortable when they know expected behavior.

Please be on time! Late arrival and leaving seats during a program is impolite and distracting. Plan restroom stops between programs so your Girl Scouts are prepared before each program begins.

Be considerate of property. In the auditoriums and rooms, feet belong on the floor and not on the back of the seats. Do not take up seats in the auditoriums for coats.

Everyone is comfortable when we help keep the restrooms tidy, throw away lunch trash and dispose of all litter properly. Remember, Girl Scouts leave a place better than they found it!

## Festival of the Arts Evaluation

Your input is important! The artists, performers, workshop leaders, and Festival volunteers want your troop's feedback on the programs: what did you like and how we can make next year's FOA even better? After the Festival, check your email inbox for the evaluation link—it may be completed on your phone or computer. Be sure to get your Girl Scouts' input for this evaluation.

Every troop that submits the evaluation by December 1, 2023 will be entered into a drawing for first, second, and third scheduling pick for Festival of the Arts 2024!

## A very special thank you to the 2023 Festival of the Arts Volunteers!
