About Festival of the Arts

With Festival of the Arts (FOA), the possibilities are wonderful! Girl Scouts enjoy up to three art experiences during this day-long event that has been held for more than **50 years**. FOA is a fun and engaging event for Girls Scouts of all levels to explore and includes nearly every genre of arts including dance, drama, visual arts, and more!

FOA is held on the second Saturday in November (November 9, 2024) with unique community partners.

Getting Started

Explore this Festival Guide thoroughly to learn about the sessions available to your troop's grade level. With your troop, spend time to determine their favorite options, and rank those based on preferences. Encourage your troop to try something new and different!

Next, determine the number of participants who will attend Festival of the Arts. Confirm your total number of participants, and accurately include all girls and adults. (See page 13 to stay organized.)

Now you're ready to register your troop! The registration process has several steps and is designed to be fair to all—both new and experienced troops—and to allow time for girls to be included in the decisions about their program selections.

Don't forget: FOA is for currently registered Girl Scouts. Don't miss out on the fun! Renew today at bit.ly/gskrenew. Event registration is not available for non-renewed Girl Scout members.

There are three categories from which to choose:

Events

Performances, Exhibits and Tours (PETs)

Workshops (Grade level assigned)

Participants may attend a total of three programs during the day.

- Select no more than one program from Events category.
- Select no more than one program from Workshops category.
- Select up to two programs from the Performances, Exhibits and Tours (PETs) category, if you attend no Events or Workshops.
- Remember, your selections across all categories may not exceed three programs.

You do not have to fill all three time periods! Programs are located throughout Metro Louisville and Southern Indiana, so be aware of your travel times and be prepared to drive. **Keep in mind that schedules are determined randomly, and you may not receive your first choice.**

Use the Planning Worksheet on page 13-14 to help plan your experience on November 9. Remember, registration opens on August 19.

Cost

The cost is \$18 per Girl Scout and \$18 per adult. For Girl Scouts, this fee includes admission for up to three programs: *Workshop, Event, and a Performance, Exhibit, and Tour (PET)* and a commemorative Festival of the Arts patch. Adults get to attend Events and PETs, as well as receive a commemorative patch; however, they may not participate in Workshops due to extremely limited space. **Festival of the Arts is ONLY for registered Girl Scouts and their adult volunteer chaperones.**

How to Register

One troop leader will register for the whole troop (starting August 19). Begin by logging in to MyGS at our website.

Complete the steps of registration, including the accurate number of participants, their names, and payment details.

The troop leader who registers for the troop will receive an email from GSK on the following business day with a unique link to an FOA "survey." This "survey" link is where they'll indicate the troop's selection of program preferences. (This link is specific for only their troop.)

Registration Selections

Participants may attend up to three programs during the day:

Event:

May attend one program from this category.

Event
or
PETs

Performances, Exhibits, and Tours (PETs):

May attend up to two programs from this category.

PETs

Workshop

Workshop:

May attend one workshop from their program level.

At registration, you are simply choosing your preferences. There are lots of options, so be sure to select more than one program per category.

What You'll Need to Register

The troop leader will include the whole group at once. Have an accurate list of all participant names. Be prepared with the number of patches you'll request. Please complete this form as thoroughly as possible. On the next business day, you will receive an email from GSK with a special link to your FOA "survey". This "survey" is how the troop's selection of programs will be submitted.

Once your troop is registered, any changes will require that your whole group re-enter the queue for each session. So if you need to add girls or adults to your troop after the deadline for the First Draw, your previously scheduled programs will be released, and your troop will be scheduled (or rescheduled) alongside other troops who register on the day of your change.

For helpful registration tips, please visit the Festival of the Arts page on the GSK website—including the steps to register a multi-level troop!

Adults and Tagalongs

Although adults do not participate in workshops, they should be present to supervise their Girl Scouts and to assist if requested by the instructor. This gives them the opportunity to observe the skills the girls learn, and then help repeat the skills in future activities. As noted, some workshops have very limited space capacity, and some adults may be asked to wait outside.

Festival of the Arts is **ONLY** for registered Girl Scouts and their adult volunteer chaperones. Tagalongs (any girl under five {including infants}, any member not registered with GSUSA, or any siblings/friends) are unable to participate in Festival of the Arts. Adult chaperones attending should be focused on providing safe supervision for girls during this event. If tagalongs are identified at the event, the tagalongs and accompanying adult(s) will be asked to leave the premises due to insurance restrictions. Troops will still be required to maintain girl to adult ratios. Please ensure all adults are aware of this rule.

Making Payment

Please submit payment information when you register, like all other GSK events. After completing the registration form, pay with a troop debit card or credit card. You may also pay by check or Kentuckiana Credits (KC). To use KC to pay for FOA participation, please use the **Swap Form**. Keep your receipts for Kentuckiana Credit reimbursements.

Cancellation/Refund Policy

You may seek a refund **ONLY** when you meet each of the following conditions:

- Selected five programs from the Performances, Exhibits, and Tours (PETs) category
- Selected five Workshops from your program level category.
- Your troop was not placed in any of your selections.

If your troop was not given any of their original choices, you will be contacted and offered alternative choices. If these alternatives are not satisfactory, you may ask for a refund at that time.

FOA T-shirts (pictured below) cost \$10 each for Girl Scouts and \$15 for adults. Available sizes are YM-A3X. These shirts are unisex sizes and are available as pre-order only.

Oh baby baby, your favorite fairytale icons are flipping their scripts—powered by the chart-topping hits of the undisputed Princess of Pop, Britney Spears. Once Upon a One More Time weaves the definitive hits of Britney Spears into a “clever and uproarious” (NPR) original story that proves there's more to life than finding a prince.

When our storybook heroines gather for book club, they always discuss the same book, Grimm's Fairytales—because as far as they know, it's the only book that's ever been written. That's when a rogue fairy godmother drops The Feminine Mystique into their corseted laps. From now on, “happily ever after” will never be the same. It's the ultimate revisionist fairytale that'll make you feel stronger than yesterday.

Activity Tips

Know Before You Go

Program descriptions and reminders will be in your program schedule. Be prepared to learn and play. Some performers will make CDs or other merchandise for sale after their programs. Please bring cash if you intend to make purchases.

Where to Next?

Make sure every driver/adult attending has a copy of your troop number, leader's name/s, and program schedule so they have the addresses of each program, start times, and the name of the program they are attending.

Engage with the Arts—Silence all Phones and Devices

We encourage you to take lots of pictures and videos and share them on our social media accounts. Be sure to post your photos to the Girl Scouts of Kentuckiana's Facebook page throughout the day. Remember, please be respectful and follow the Courtesy Tips! If you are a Cadette or older and interested in participating in the Festival of the Arts Instagram Takeover, please email festival@gskentuckiana.org for the log in information.

Courtesy, please

Before the Festival, please discuss courtesy and good behavior in crowded situations. Set the example! Children follow adults who set standards and are comfortable when they know expected behavior.

Please be on time! Late arrival and leaving seats during a program is impolite and distracting. Plan restroom stops between programs so your Girl Scouts are prepared before each program begins.

Be considerate of property. In the auditoriums and rooms, feet belong on the floor and not on the back of the seats. Do not take up seats in the auditoriums for coats.

Everyone is comfortable when we help keep the restrooms tidy, throw away lunch trash and dispose of all litter properly. Remember, Girl Scouts leave a place better than they found it!

Festival of the Arts Evaluation

Your input is important! The artists, performers, workshop leaders, and Festival volunteers want your troop's feedback on the programs: what did you like and how we can make next year's FOA even better? After the Festival, check your email inbox for the evaluation link—it may be completed on your phone or computer. Be sure to get your Girl Scouts' input for this evaluation.

Every troop that submits the evaluation by December 1, 2024 will be entered into a drawing for first, second, and third scheduling pick for Festival of the Arts 2025!

A very special thank you to the 2024 Festival of the Arts Volunteers!
