

Did you know you could also earn the Congressional Award?

- **The Congressional Award is the highest honor awarded by Congress to youth ages 13-23.**
- **The four key program areas of the Congressional Award are voluntary public service, personal development, physical fitness, and expedition/exploration.**
- **There are multiple levels for the Congressional Award. Bronze and Silver Medals are received at local or state ceremonies. Gold Medals are received at the U.S. Capitol in Washington.**
- **The public service component requires between 30-400 hours depending on what level you are trying to achieve. This is a direct tie to the hours required to become a Gold Award Girl Scout.**
- **Both awards promote standards of excellence.**
- **Both awards give the opportunity to set measurable goals and challenge personal growth including leadership development.**
- **Both awards are highest honors.**
- **GSUSA and the Congressional Award are official partners.**
