

March Patch of the Month

Women's History Month

March is Women's History Month, an annual celebration of the strong change-makers who came before us and those who continue to push for a more just, equitable society.

Resilient, innovative women who confront challenges head-on and create a better world for everyone.

Just like a lot of Girl Scouts we know!

About Patch of the Month

Looking for some additional fun activities for your troop or just to do on your own? Each month, girls can discover, connect, and Take Action in a specific subject area. Hands-on activities are available for all Girl Scout levels and can be done at meetings, as a pre-meeting activity, or as an at-home project.

Patch of the Month programs provide Girl Scouts an opportunity to enjoy a variety of activities while earning a fun patch. Patch programs are available to Girl Scouts of all grade levels. Completing patch programs can help complete a Journey and may satisfy requirements for certain badges. It's not necessary to complete the patch programs in the months specified—they can be completed at any time! All fun patches are placed on the back of the vest or sash.
