Girl Scouts of Kentuckiana Day Camps and Summer Camporees

Any girl may attend camp. If she is not currently a Girl Scout, all you need to do is submit her Girl Scout membership online. This fee will provide membership through September 30 of the current year.

REGISTRATION IS ON A FIRST COME BASIS! Registration opens 3/15/2022 and closes WHEN CAMP IS FULL.

There is a limit on the number of campers allowed at camp. You may continue to apply for camp up until the week before camp. Please email to see if spaces are still available. Please remember camp often fills up by the end of May, so please get your registrations in as early as possible.

Send the completed **registration form** and **signed health history** with a **check or money order** for \$115 payable to Area 14 Day Camp.

****Do not wait on GSK Kentuckiana Credits or Financial assistance. Remove and complete the registration form and health history in this brochure. Financial assistance will only pay half the fee or less depending on funds. Please send in \$55 with your forms.****

If you will be using GSK Kentuckiana Credits, make the check payable for the balance due (\$115.00 less GSK Kentuckiana Credits amount). Email GSK Kentuckiana Credits to daycamparea14@gmail.com as soon as they are received.

Incomplete registrations will not be processed. All registration materials should be mailed to:
Area 14 Day Camp
PO Box 81
Hillview, KY 40129

Who May Attend

Any girl may attend camp; however, she must join Girl Scouts. Visit our website at www.gskentuckiana.org/join. Membership is \$40 and expires September 30 of the current year. However, if she is registering after May 1, we suggest taking advantage of the new Extended Year Membership! A girl can sign up to be a Girl Scout, pay \$50 and her membership will not expire until September 30 of the NEXT year. This saves the family \$30 and ensures her Girl Scout experience continues past camp!

Financial Assistance

Financial assistance is available to registered Girl Scouts through the Joyce Seymour Leadership Fund. Please visit www.gskentuckiana.org/jslf to complete the online application for a day camp scholarship.

Refunds

The camp registration fee may be refunded for a cancellation due to illness, family emergency, or relocation. Check with your camp registrar for details.

Website

More information about camps can be found on the GSK website: www.gskentuckiana.org/daycamp.

Resident Camp Fun!

Resident camp is the heart and soul of the summer camp experience. Caring counselors guide girls to make life-long memories, new friends, and discover the pleasure of the outdoors. Girls will be challenged to try new things and will come back a more courageous and confident girl of character. Learn more at www.gskentuckiana.org/residentcamp.

Please remember that Area 14's camps are coordinated and run by volunteers. These volunteers are also parents, hold jobs and are busy people. Please make sure to read over all camp information before contacting us with questions. These volunteers devote a great deal of time and energy to planning and running an excellent camp program. Also, consider volunteering your time to assist with camp. We can't have camp without the volunteers. Outdoor training will be available during May through the council which will help you prepare for day camp.

REMINDERS:

You will receive a confirmation email if your daughter gets into camp. Check you spam folder if you haven't received anything. Please remember we can only take as many Girl Scouts as we have adult volunteers to meet ratios. Please consider volunteering your time to ensure as many Girl Scouts can have the camp experience as possible. Girl Scouts of volunteers are guaranteed a spot at camp.

Requests for placement of girls to be with other girls in a unit will be taken into consideration (**please put any placement requests in the space provided on the registration form**). **We cannot guarantee placement due to the number of girls attending.** We do split up troops so girls can make new friends. NO Changes can be made within four weeks of camp due to logistics.

EMERGENCY INFORMATION

Safety is an important concern to us with Girl Scout camp. We work hard to ensure that all volunteer adults are trained for camp and that all Girl Scout safety standards are met. Please make sure that you have filled out your daughter's Health History Form for camp, including emergency contact number.

Adults: Do you have some time you can give to camp?

This camp is staffed by volunteers who give their time freely so that all interested may attend camp. We are looking for adults to help provide this wonderful experience for girls. We are limited in size by the number of adults willing to volunteer; to accommodate all the girls who want to attend camp, lots of adults are needed. No previous experience is required! Volunteers with GSK camp or adventure trainings are always needed.

You might help out by being a unit leader with girls, boys, or Pixies. Volunteers are also needed to offer special programs such as crafts, fishing, archery, etc. In fact, almost any skill or interest you can share can probably be used! Volunteering at camp is fun and a unique opportunity for you to have an important impact on your camper.

******* All camp volunteers must be members of Girl Scouts and complete a criminal background check. To volunteer, please visit our website at www.gskentuckiana.org/volunteer. Membership is \$25 and expires on September 30 of the current year. Once you complete your membership registration, you will receive an email with directions on how to submit your background check. This background check costs \$8 and is good for three years. Adults can register online for membership, do not send in with registration. Please note that adult volunteers are not placed with their daughter(s).*******

TRAINING FOR ADULT VOLUNTEERS:

It is preferred, though not required, for all adults working day camp to possess/obtain at least "Camp In A" training offered by the Council. Unit Leaders will need to have "Camp Out" certification. Information and registration is available through the council. Outdoor Training Weekend is May 20-22, 2022, this is a great opportunity to get in Camp in A,B or Camp Out certifications. Please consider attending. Our first day camp training will be Sunday after these sessions are over.

Area 14 Day Camp Training is required for volunteers. *New this year:* Instead of 3 trainings there will be an online or home training that all adults will need to complete before the first training. This information will be emailed when we received your registration.

Trainings will be held at Shantituck on the following dates:

Sunday, May 22, 2022 from 6:30-8:30pm (after Outdoor Training Weekend)

Sunday, June 19, 2022 from 3:30 – 6:30 pm

All volunteers, aides, and AITs are expected to attend the camp setup day June 19th.

Younger Siblings & Sons

We offer a unit for Pixies (children 3-5 years of age and potty-trained) and a boys unit (ages 6-12) only for those adults that come out and work at camp. This service is offered at \$5 per day. Please note on the Adult Application that you will be bringing pixies or boys with you. Also complete a registration form and health history for each.

(Pixies & younger boys can only be at camp while their parent is working at camp.)

**FULL TIME VOLUNTEERS ARE GUARANTEED A SPOT FOR THEIR DAUGHTERS AT
CAMP! (We can't have camp without volunteers!)**

PROGRAM AIDES FOR AREA 14 DAY CAMP

Older Girl Scouts, if you are looking for an opportunity to share your leadership skills and to help our younger girls experience camp, then being Program Aide at camp might be for you!

Area 14 Day Camp: June 20-24, 2022

Time: Mon-Thurs 8:30am – 4:00pm Friday 8:30am -3pm (Plus 3 overnight experiences)

Aides/ AITs are invited to stay Sunday and Tuesday night.

Wednesday night the whole camp stays overnight.

To be an aide at camp you need to be entering the 9th grade or higher in the fall of 2022 and have completed the AIT program or get camp director's approval. You will also need to be interviewed by the Day Camp Staff and sign a code of conduct.

Aides-In-Training (AIT) must be entering 8th grade.

Training: Program Aides and AITs must attend the scheduled day camp trainings and camp setup day.

Training #1: Sunday, May 22, 2022 6:30 – 8:30pm

Camp Setup Day: Sunday, June 19, 2022 3:30 – 6:30 pm

Send an email to: Angie Arbaugh at Daycamparea14@gmail.com. Email should contain your name, brief explanation of why you can't attend the training session and a phone number where you can be contacted.

Things to consider before volunteering as an Aide or AIT:

- Please make sure camp does not interfere with your summer job. When working with a unit, we need you all day, every day. In order to serve all the girls, we need aides.
- If you are not chosen to work as a Program Aide or AIT or if your summer job schedule only allows you to be at camp part-time, we would love to utilize your talents in other areas such as cooking, songs, games, fire building, etc.
- Remember, you are a wonderful role model for the younger girls and they will be WATCHING YOU! You do make a difference.
- Your application is important. If interested, be sure to fill out the application form along with the camper registration form and health history and mail it to the Area 14 Day Camp Registrar.
- Program Aide and AIT camp fee is only **\$65** for the entire week, and includes overnights, food for overnights, camp shirts and patch. The cost can be covered by Kentuckiana Credits.
- Volunteering as a Program Aide or AIT may fulfill community service hours required for school. Check with your school counselor.

Health History Form Complete one for each **girl, pixie, boy** and **adult** camper and mail to your camp registrar. Please PRINT clearly and legibly.
