About GSK Volunteer, Anna Kordsmeier:

Anna Kordsmeier, along with two other amazing volunteers, is a leader for Brownie Troop 1415. She also helps with troop 2004, a small group of Senior Girl Scouts, and she is a Co-Service Unit Manager for Service Unit 608 in the Greater Floyd area of Southern Indiana.

This is Anna’s third year as Girl Scout volunteer. She loves working to help Girl Scouts gain confidence, learn skills, and develop a curiosity that they can use throughout their lives.

With the current stay at home orders, her troop’s Girl Scouting experience looks a little different by mostly communicating through an app called Bloomz. However, Troop 1215 is still going strong by watching videos, joining online classrooms, sharing photos, and participating in optional badge work. They have plans to hold virtual meetings so that the girls can communicate with each other directly.

Thank you for your dedication to Girl Scouts of Kentuckiana, Anna Kordsmeier!
This is Juliette Gordon Low. She was full of wonder and loved adventure. She wanted to create something amazing for girls to do, so she worked hard and started the Girl Scouts!

Take Juliette Gordon Low, the founder of Girl Scouts with you…

Just color her in, and cut her out. Now she’s ready to go!

We’d love to see pictures of her travels throughout the year. Please post photos with captions about her adventures to:

and look for them in future posts from your Girl Scout troop friends.
