Participating in these activities at home will help you complete Step 5 of the **Junior Gardening Badge!**

Dig your hands into the earth and spending time with soil, water, and sunlight to find out how to help life grow from a tiny seed.

Steps:

1. Visit a garden
2. Explore garden design
3. Learn how to choose garden plants
4. Experiment with seeds
5. Grow your own garden

When you've earned this badge, you'll know how to help plants and flowers grow.
