

LIVE! Awesome Girls: World Centre Challenge Tour

Kusafiri

World Centers offer Girl Scouts and Girl Guides comfortable, safe places to stay for short periods or longer term, including during seminars, training sessions, or international events. Members and their families are encouraged to visit the centers and connect with visitors from other countries. The World Association of Girl Guides and Girl Scouts (WAGGGS) has World Centers in the United Kingdom, Switzerland, Mexico, India, and Africa.

Kusafiri World Centre provides a World Center experience via existing facilities in Africa. The “centre” has no fixed site; rather, location varies by event, bringing international experiences to girls and young women in different countries throughout Africa.

Instructions:

2. Read the Promise and Law of the organizations you selected and find the similarities and differences with the Girl Scouts of USA Promise and Law.
