

Leave No Trace Activity Sheet To Be Used With Principle 4 Video

Use the area below to draw a picture of your favorite outdoor place. It could be your backyard, a trail you like to hike, or your local baseball field. While drawing this, make sure to include all the things that make the place special to you: plants, animals, people, rocks and more!

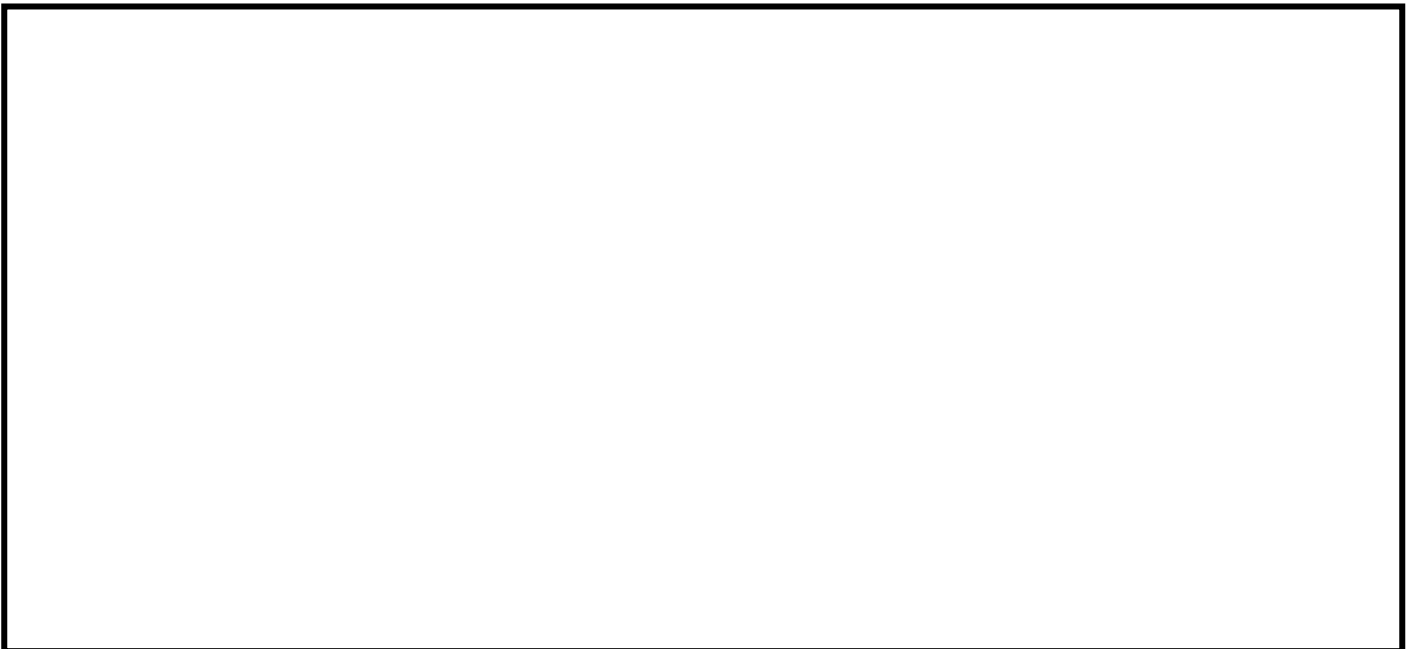

A large, empty rectangular box with a black border, intended for drawing a picture of a favorite outdoor place.

Leave No Trace Activity Sheet To Be Used With Principle 4 Video

Think of all the special things that you like about your special place. What would you be sad to lose from that special place?

A large, empty rectangular box with a black border, intended for students to write their responses to the first question.

What are some reasons you think it's important to leave a rock or a flower in your special place there?

A large, empty rectangular box with a black border, intended for students to write their responses to the second question.
