

Today you got an email from your Troop Leader, and it said:

Hey, hey Girl Scout!

We are going on a hike at Charlestown State Park tomorrow. We will be going on a Spring Wildflower Hike on Trail 3. This will be a guided tour with a ranger from the State Park. It starts at 3pm and lasts for 2 hours. This is a rugged 2.1 mile hike where we will learn about spring wildflowers. Tomorrow is supposed to be a beautiful day, 70 degrees with no rain. Pack a good day pack, with water and a protein packed snack, but remember don't pack too much! See you soon!

Miss Karen
