

LIVE! Awesome Girls: World Centre Challenge Tour

Our Chalet

World Centers offer Girl Scouts and Girl Guides comfortable, safe places to stay for short periods or longer term, including during seminars, training sessions, or international events. Members and their families are encouraged to visit the centers and connect with visitors from other countries. The World Association of Girl Guides and Girl Scouts (WAGGGS) has World Centers in the United Kingdom, Switzerland, Mexico, India, and Africa.

Our Chalet, located in the picturesque Swiss Alps, was the very first World Center to be built. Explore the network of trails and footpaths that lead to snow-capped peaks, crystal-clear waters, alpine forests, and wildflower meadows. Our Chalet offers high-adventure activities, leadership seminars, and much more.
