

LIVE! Awesome Girls: World Centre Challenge Tour

Pax Lodge

World Centers offer Girl Scouts and Girl Guides comfortable, safe places to stay for short periods or longer term, including during seminars, training sessions, or international events. Members and their families are encouraged to visit the centers and connect with visitors from other countries. The World Association of Girl Guides and Girl Scouts (WAGGGS) has World Centers in the United Kingdom, Switzerland, Mexico, India, and Africa.

Pax Lodge, located in Hampstead Village, is just 20 minutes by train from the center of London. It's an ideal base for exploring the city's rich history and culture, offering a vibrant selection of cultural programs for youth and adults as well as leadership seminars and day activities.

Instructions:

Visit the WAGGGS website [here](#) to learn more about Pax Lodge by answering the following questions:

1. Which WAGGGS region is Pax Lodge World Centre located? Name 3 other Girl Scouts and Guides organizations in that region.
2. Read the Promise and Law of the organizations you selected and find the similarities and differences with the Girl Scouts of USA Promise and Law.
3. How many members do each of these organizations have?
4. Listen to the Pax Lodge Song and learn all about its history.
5. Learn one fact about the United Kingdom and share it with your friends and family.

Then, register for LIVE! Awesome Girls: World Centre Challenge Tour [here](#).

Thursday, May 21, 6:15 PM—7:00 PM Eastern

Take a tour of the World Centre in Hampstead, North London, then learn to make origami doves.

Materials Needed: Paper

Unable to join the live opportunity? You can view the other events in playback by registering for them - check out all the options on www.girlscouts.org/virtualevents.

Visit the GSK Facebook page each day for an activity to do on your own and share what you've learned! Girls can earn this patch by participating in one or all of the World Centre tours. Patches can be purchased for \$1 by using the GSK Shop Order Form [here](#).
